MESSAGE FROM OUR DIRECTOR

As this very unusual school year draws to an end, I would like to take a moment and share a few thoughts and sentiments on behalf of MHA. This end of school has been quite different! We stood strong and brave in the midst of a pandemic. Covid-19 forced us to make many changes since March 2020. We want to thank you for your kindness, grace and cooperation as our faculty and staff members worked to provide quality learning experiences safely for our students. We have been amazed by the flexibility, tenacity, and creativity that our students, staff and parents have shown as they have navigated through this year. We are all very resilient and we know we will come through this difficult time having learned important lessons about ourselves. During these times we need to remember all the wonderful things and how this experience transformed us in many positive ways.

I feel very privileged to be able to offer the best environment and tools to consolidate the foundation that every child requires in this early stage of their lives so they can be able to build anything and everything they wish for their future.
